[Bob Marley]

(Why should I bend down my head and cry?
Why should I bend down my head and cry?)
The old world has ended, yeah;
The new world has just begun,
And all them people that live therein
Shall live on and on.
One more thing:
Got to get what I need,
Got to get what I want.
Got to get what I need,
Got to get what I want.
Got to get satisfaction,
Got to get the action.
Got love and affection.
One more thing:

Once there was two roads before us
To pick our choice, yeah!
But good has overcome bad;
The sheep has heard their master's voice:
So tell me why.

Why should I bend down my head and cry?
No reason why; no reason why; no reason why.
(Why should I bend down my head and cry?)
Got to move! Got to groove!)

(Got to get what I want) What did you say? (Got to get it)
(Got to get what I need) Got to get it, today now.
(Got to get what) Like I say: (I want. Got to get it)
Got to get it - satisfaction.

The old world has ended, yeah!
The new world has just begun,
And all them people that live therein
Shall live on and on.
One more thing:

(Why should I bend down my head and cry?) My father
is a king.
(Why should I bend down my head and cry?) All the
riches in the earth.
So tell me why,
(Why should I bend down my head and cry?)
Why should I bend down my head and cry? /fadeout/
