Marie got cancer on a saturday night  
She said ho, I'm gonna hurl it to a tv show  
They said it's simple as simple can get  
When they met, they said the public needs a piece of  
the fun

Dress down wear your brightest smile  
And light up! and light up!

They want the whole damn set on the summer  
They want your whole damn life on the summer screen  
They want your eyes to swell up and water  
They want you stripped down naked and gasolined  
And they all want a part in the scene  
It's alright

Marie can bear it she's in real good shape  
She's ok, she knows it's better than staying home  
She knows it's courage that the public wants  
And she gives and she gives and she gives

They want the whole damn set on the summer  
They want your whole damn life on the summer screen  
They want your eyes to swell up and water  
They want you stripped down naked and gasolined  
And they all want a part in the scene  
It's alright  
It's alright  
It's alright

They want the whole damn set on the summer  
They want your whole damn life on the summer screen  
They want your eyes to swell up and water  
They want you stripped down naked and gasolined  
Stripped down naked and gasolined  
And they all want a part in the scene
