Ya Habibi...
Mat Khafi...

Lay your head, on my shoulder
I'll warm you up, when the nights get colder
Lose your way, and I will find ya
So take my hand, and I will guide ya

Mat khafi, ya Habibi
I'll make sure that your heart is safe with me (your
heart is safe with me)
Khalini, Ihmiki
I'll be the one to set you free

Shelter shelter your heart (I'll shelter),
Shelter your heart (I'll shelter), shelter your heart,
Shelter your heart (I will)
Shelter shelter your heart (I will),
Shelter your heart (I will), shelter your heart,
I will, shelter your heart

I can be, your sanctuary (ohh)
Stay with me, and I'll make you happy
Hold me close, and don't you let go
Follow me, and I'll be your halo

Mat khafi, ya Habibi
I'll make sure that your heart is safe with me (your
heart is safe with me)
Khalini, Ihmiki
I'll be the one to set you free

You don't need to search anymore, cause I got ya
And I will guide ya, yes I will guide ya
You don't need to hope anymore, cause I'm here for
you

Shelter shelter your heart (I'll shelter),
Shelter your heart (I'll shelter), shelter your heart,
Shelter your heart (I will)
Shelter shelter your heart (I will),
Shelter your heart (I will), shelter your heart,

I will, shelter your heart

Mat khafi, ya Habibi

I'll make sure that your heart is safe with me (your
heart is safe with me)

Khalini, Ihmiki

I'll be the one to set you free (x2)

Shelter, shelter, shelter your heart (x3)

Shelter your heart, shelter, shelter...
