I've been waiting for the time
waiting for you to say you're mine
can't hide these feelings inside
let me hold you tonight
I really want you to know all these feelings I've to show
how much I've been loving you
tell me you'll be mine
(Chorus)
Gonna love you, keep on loving you dear
I'll love you till the end of time
I'll be with you no matter what happens
I'll be there by your side
I'll hold you, hold you here in my arms
i'll promis I wont let you go
stay with me, make all our dreams come true

I'll give you all I have
coz you mean the hole world to me
I'll love you with my heart
and we'll never apart
