Dare mo tayorezu nani mo iezu

Oto mo naku kasanaru hi ga
Kawaru you ni owaru you ni
Hitori ugokezu ni ita kedo

I needed you
I really needed you
Kimi dake wa shinjitsudzukete kureta

"hoshikute, sutete, erande
Nani wo tsukamu darou?
Nani wo koeta darou?"
Kotae wa kitto koko ni aru
Kimi no naka ni aru koko ni aru

Dare mo tayorazu nani mo iwazu
Hitamuki de tsuyoi kimi ni
Chikadzuku you ni todoku you ni
Chiisana shigusa manite miru

We'll fly away
I'll never lose my way
Kotoshi mo futari de sugosu 2(ni)dome no fuyu

Kajikamu yuki no mabushisa ni me hosome
Kizuru shita kimi no KO-TO ni ude to tooshite
Onaji hohaba de aruku michi
Itsumademo tsudzuku kono michi

Kogoeru iki wa mou koe ni naranai
Minareta kimi no kata ushiro kara daku
Onaji kodou de aruku michi
Dokomademo tsudzuku kono michi
