So won't you try to understand
I love you more than I can stand
I'm just a lonely lonely girl, in love.

Juwaki no mukou nagareta
Sukoshi kareta hikui koe
Ima futari o tsunagu no wa
Kimi ga nokoshita shiroi hana

Dekiru koto nara mata ai ni yukitai
Subete sutete kimi no moto e

Itsu made tsuzuku no? Kawaranai kono kyori
Kanojo wa inai no? Tsugi itsu aeru no?
Getsuyou no asa mo keitai no chakushin mo ima wa
wasurete
Semete kon'ya dake wa omoikiri daite
Itoshiku namae yonde soba ni kite

Kimi ga satte yuku tabi
Kono kokoro ni hana ga saku
Hakanasa to yasashisa to
Kodoku wo shitta shiroi hana

Yurusareru nara mata ai ni yukitai
Subete sutete kimi no moto e

Kono mama tooku e te to te wo toriatte
Hashirou dokoka e jikan goto tomete
Kore hodo ni ai shite kogareta koto nai no
Dakara kon'ya dake wa dare mo minaide
Setsunaku namae yonde soba ni ite

Hakanasa to yasashisa to
Tsuyosa ni michita
Shiroi hana

Kimi ga sakaseta shiroi hana
