I'll be the sun that's lighting your heart
I see the night that breaks you down
I see you fall, talk to me. Come by my side
Namida ni wakaretsugete
Sugisaru hibi wo sutete
Ashita wa kanarazu kuru hazu dakara

Oh hear me now
Hitori de sagashita shiawase kataranaide
Futari dake no fukurami atatamete
We'll stick together, stuck together baby

One more night, and stay tonight
Kono hoteri to kono yubi de
Shigamitsuku nigai yoru sugu wasuresasete ageru
take my love, and stay tonight
Owari no nai kodoku wa wakeatte karada goto
kasanarou
I'll give you anything so baby stay

Tsunaida te to te no nukumori wo ima kanjite
Hitomi ni utsuru mirai wo hanashite

Oh hear me now
Hitori de kakaeta kanashimi koraenaide
Futari naraba norikoerareru kara
Let's stick together, stuck together baby

Oh hear me now
Hitori de sagashita shiawase kataranaide
Futari dake no ibasho wo tashikamete
We'll stick together, stuck together baby

One more night, and stay tonight
Sono hoteri to kono yubi ga
Karamiau amai yoru
Sunao ni shinjite yo motto
take my love, and stay tonight
Okisari ni shita uso o wasure tara
Kokoro goto kasanarou
I'll give you anything so baby stay
