Sabishisou ni narabu BIRU no mure wo nuketara
Kimi ga suki da to itta kanashii uta ga nagareta
Aseri to hayari ni makesou na n da
Mado no soto ame
"Ikiru no wa dare no tame?"
Konna yoru ni kimi ga ireba...
When I pass through the buildings that are lined up as
if they were lonely
The sad song that you said you love was drifted
It seems like I lost out to impatience & popularity
Rain outside the window...
"Who do I live for?"
If you were here on a night like this...

Suki da nante ienai
Kono omoi wo tsugeta nara
Kimi wa kitto kiete shimau ne
I'll keep it in my heart
Hontou wa motto furete itai
10(juu)nengo no kimi ga mitai
Demo kanawanu negai
You're breaking my heart again
I can't say that I love you
If I tell you these feelings,
You will surely disappear, won't you
I'll keep it in my heart
The truth is I want to touch you more
10 years from now, I want to see you
But it's an unfulfilled wish
You're breaking my heart again

Uso ya iji mo mie mo
Yowasa no uragaeshi da yo to
Sukoshi warainagara oshiete kureta yo ne
Dakara,
Toki ni wa hitasura wagamama ni
Namida o nagashite mitemo ii yo ne?
Nee konna, atatakana omoi
Zutto wasureteta
You make me feel so alive
Lies, pride, vanity,
The inside-out of a weakness

You taught me those things while laughing just a bit,
didn't you
That's why
In that time, it's ok if I cry selfishly
From the bottom of my heart, right?
Hey, I was always forgetting
These kinds of warm emotions
You make me feel so alive

Suki da nante ienai
Kono te wo ima nobashitara
Kimi wa sotto kiete shimaue ne
I'll keep it in my heart
Hontou wa zutto issho ni itai
10(juu)nengo mo kimi to itai
Demo kanawanu negai and
You're breaking my heart again
I can't say that I love you
If I reach this hand out to you now,
You will quietly disappear, won't you
The truth is I want to be with you forever
Even 10 years from now, I want to be with you
But it's an unfulfilled wish &
You're breaking my heart again
