You try to knock me down, but you gotta fight
No one can change my mind, I'm ready to die
You think that I'm a fool, I'm playing by my rules

(Chorus)

Stand Up! Are you sure that you're strong as I'm tough?
(Strong as I'm tough)
Do you think you can be hard enough? (Strong as I'm
tough)

You walk the easy way, I work every night
You sell your soul for fame, I stand for my rights
You think that I'm insane, I'll never play your game

(Chorus)

Stand Up! Are you sure that you're strong as I'm tough?
(Strong as I'm tough)
Do you think you can be hard enough? (Strong as I'm
tough)

Alright

(Guitar Solos)

You think that it's alright, but look at you know
They squeeze you till you dry, you'd better watch out
Your face is on tv, now get down on your knees

(Chorus)

Stand Up! Are you sure that you're strong as I'm tough?
(Strong as I'm tough)
Do you think you can be hard enough? (Strong as I'm
tough)
