I'm sorry baby but you can't stand in my light anymore
You're moving back to the shadows
I can't fight this anymore

I tried to heal you and I tried to fix you
I tried to show you compassion
I tried to listen, I tried to love you even though you were
broken

I let you get up close to me, I let you feel the warm and
the calm
And you resisted, it took me time to notice
But now I see the shadows as they fall

I always find the broken ones, what does this say about
me?
Maybe I'm the broken one, maybe when the lights go
down
Maybe I'm the one who feels lonely

I'm sorry baby but you can't stand in my light anymore
You're moving back to the shadows
I can't fight you anymore

Hate to leave you standing in the corner on your own
But you can't feel the sun unless you open up your
heart, yeah
Oh, I'm sorry baby

I'm sorry baby, I'm sorry baby
I'm sorry baby, I'm sorry baby
I'm sorry baby, you can't stand in my light anymore
