Who  
Don't say good-bye  
Don't ever say good-bye  
Don't ever say good-bye  
Who

Stop the beat before we get to something serious,  
something dangerous  
Stop that call before we get to something out of  
control, that means uncontrollable  
This crazy night  
Jump back on boy say, that music hits again  
Jump back on boy say, that music rides again high  
Jump back on boy say, that music hits again  
Jump back on boy say, that music rides so high  
Never say good-bye!

Make you wanna say: boom budalala ching ching  
Once again  
Knocking on my door in the heat of the night, feels like  
something's going crazy  
My soul is wild  
Who's there?  
Knocking on the door again  
Feels like my heart's going crazy  
I've gone wild inside tonight  
Tonight

Who's there inside my soul tonight?  
Is it you?  
Tell me  
Yes  
Who's there?  
Behind those doors tonight?  
Tell me it's you  
Are you there?  
Are you there?  
Are you there?  
Are you there?  
Are you there?  
Hello!  
Hello!

Who's there behind those doors tonight?

Once again the silence calls  
Once again my heart recalls  
Once again my mind is bawled  
Once again I feel your call  
Once again the silence bawls  
Once again my heart recalls, something back into the  
wall

Tell me again  
Who's knocking at the door?  
Who's knocking at the door?  
Take me back again.  
Once again the silence calls  
Once again my heart recalls  
As my feet and soul bawl  
Tell me again

Who's knocking at the door?  
Who's knocking at the door?
