Claire Forlani, you deserve a song overdue for a very
long, long time
Claire Forlani, you deserve a song overdue for a very
long, long time
Claire Forlani, you deserve this song
I've been singing it all a long, long time

And all the while
That girl, she don't know it
That girl, she's more than a mall rat to me yeah (more
than a mall rat to me)
That girl, she should know it
That girl, 'cause she's a blessing sent through my tv
screen yeah (a blessing sent through my tv screen)

Claire Forlani, you deserve a song overdue for a very
long, long time
Claire Forlani even though I know all of your lines
I never return just rewind everytime

And all the while
That girl, she don't know it
That girl, she's more than a mall rat to me yeah (more
than a mall rat to me)
That girl, she should know it
That girl, 'cause she's a blessing sent through my tv
screen yeah (a blessing sent through my tv screen)
Do do do
Do do do
Do do do
Whoa (x 18)

And all the while
That girl, she don't know it
That girl, she's more than a mall rat to me yeah (more
than a mall rat to me)
That girl, she should know it
That girl, 'cause she's a blessing sent through my tv
screen yeah (a blessing sent through my tv screen)

And all the while

That girl, she don't know it
That girl, she's more than a mall rat to me yeah (more
than a mall rat to me)
That girl, she should know it
That girl, 'cause she's a blessing sent through my tv
screen yeah (a blessing sent through my tv screen)
