I, I can't give up not yet, not now, not ever
And hope is just not enough
I do, I don't whatever
Forward and tailored
I'll move on before long I'm sure I'll understand what it
is I'm doin' wrong

And I've waited forever to finally find out what it's like
And I'll pull it together to find a girl, a girl, a girl, a girl

Ah, that's why I can't give up
'Cause hope, hope, hope is all I got
Forward and tailored
I'll move on before long I'm sure I'll understand what it
is I'm doin' wrong

And I've waited forever to finally find out what it's like
And I'll pull it together to find a girl, a girl, a girl, a girl
And I've waited forever to finally find out what it's like
And I'll pull it together to find a girl, a girl, a girl, a girl
Ah ah ah ah
