Moron, Less Off

Hey

Hey (hey) everyone look who's talkin' now

You're everything we care about

Hey (hey) look at you

You're what we wanna be

We should check you out

Hey we know you're stupid, but it's all your fault

(Hey) 'cause who you hang with makes you who you are

No one's gonna change that now, no

Hey (hey) everyone look who's bogus now that

everything's not workin' out

Hey heinous inside is what you seem to be

Now you should check us out

Hey we know you're stupid, but it's all your fault

(Hey) cause who you hang with makes you who you are

No one's gonna change that now, no

I don't get it

It's so pathetic

The way that you come off

We won't forget it

The way we read it

Whoever you thing you are, you're not

Yeah

Hey we know you're stupid, but it's all your fault

'Cause who you hang with makes you who you are

We know you're stupid, but it's all your fault

Hey you really are

Hey, whoa

Hey, whoa

Hey, whoa

Hey, whoa (we know you're stupid, but it's all your fault)

Hey, whoa ('cause who you hang with makes you who you are)

Hey, whoa (we know you're stupid, but it's all your fault)

Hey (hey)
Hey (hey)
Hey (hey)
Hey, whoa
