Just about everyday i wake thinking about the way you
put it on me.You can stay,just lay it aint no rush tell me
what you want and i'll serve it up thats whats up

Baby you are like the sunshine brighten up my life by
now i know you know im crazy for you.Baby you are like
the moonlight cool as you wanna be by now i know you
know im crazy for you

They say im not the one you should be around but that
dont phase me.Cuz I know they goin' hate on us cuz
they aint us,no luck cuz we know whats up serve it up

Baby you are like the sunshine brighten up my life by
now i know you know im crazy for you.Baby you are like
the moonlight cool as you wanna be by now i know you
know im crazy for you

Baby you are like the sunshine brighten up my life by
now i know you know im crazy for you.Baby you are like
the moonlight cool as you wanna be by now i know you
know im crazy for you

What i gotta do to show you im not ever gonna leave
you girl you are my world.What i gotta do to prove to
you i'll always be right here baby you...

Baby you are like the sunshine brighten up my life by
now i know you know im crazy for you.Baby you are like
the moonlight cool as you wanna be by now i know you
know im crazy for you

Baby you are like the sunshine brighten up my life by
now i know you know im crazy for you.Baby you are like
the moonlight cool as you wanna be by now i know you
know im crazy for you
