Oh, oh, turn the lights on!  
...all the days I can't wait  
Cause from the way your voice sounds,  
I know I love you face  
Got the cameras all around the room to watch you  
shake  
(Oh, oh, turn the lights on!)  
I bet your body looks so damn good on video tape.

Chorus:  
If you... go ahead and and fly  
No river deep, no mountain high  
Get away, you could try,  
You can run, you can hide,  
But you can't escape my love  
Escape my love!  
Get away, you could try,  
You can run, you can hide,  
But you can't escape my love  
Escape my love!

Oh, oh, turn the lights on!  
...all the days I can't wait  
Cause from the way your voice sounds,  
I know I love you face  
Got the cameras all around the room to watch you  
shake  
(Oh, oh, turn the lights on!)  
I bet your body looks so damn good on video tape.

Chorus:  
If you... go ahead and and fly  
No river deep, no mountain high  
Get away, you could try,  
You can run, you can hide,  
But you can't escape my love  
Escape my love!  
Get away, you could try,  
You can run, you can hide,  
But you can't escape my love  
Escape my love!

Damn hot, he ain't gonna put no... at  
He ain't gonna spin no...  
Just some...  
I've been fly!  
Keep talking, let me see...  
G five to your friends eyes  
Put that F5 in a G5  
Watch me make a bean fly  
Movie shit like cinema  
You should bring your camera  
Put your legs up to your head,  
I'll stretch you, I got stamina.  
So you know what I'm on  
Spray myself with my cologne  
Drink my vodka, ... rip it poppa till I'm gone!

Chorus:  
If you... go ahead and and fly  
No river deep, no mountain high  
Get away, you could try,  
You can run, you can hide,  
But you can't escape my love  
Escape my love!  
Get away, you could try,  
You can run, you can hide,  
But you can't escape my love  
Escape my love  
Turn the light on!  
Oh, turn the lights on!
