Bridge:Kyle
I didnt mean to
make you cry when I told you that white lie
It didnt seem like a crime
I feel wasted
I didnt mean to
walk away,make you beg for me to stay
Or leave you alone that day
please forgive me
I didnt mean to
I couldnt see the pain you felt
I didnt mean to
When I knew I should of kept it real
I didnt mean to
Your my lady,cant you see im going crazy
Without you beside me baby
please believe I didnt mean it (oooohhh)

Chorus
I didnt mean to make you cry
I didnt mean to tell you lies
I didnt mean to say goodbye
Girl im trynna make you see that i need you here with
me
I didnt mean to walk away
Wish i could turn back the time to that day
Even though im a different man

I hope you can understand
that I didnt mean to leave
Baby why cant you forgive me

Chorus

I didnt mean to make you cry
I didnt mean to tell you lies
I didnt mean to say goodbye
Girl im trynna make you see that i need you here with
me
I didnt mean to walk away
Wish i could turn back the time to that day
Even though im a different man
I hope you can understand
that I didnt mean to leave
Baby why cant you forgive me
