Switch It

Verse 1: (Jermaine)

When I saw you the other week
Said that you were free
Said that you and me
Could go out
Then I saw you with Anthony
That was yesterday
Girl you crushed my dreams
So down and out

Rise:

Could of had a good thing
Don't no what you're missing
Babygirl ya leading me on
Love is what you make it
Only took my heart to break it
Baby girl I'm asking...

Chorus:

How could you switch it
From one man to the next
After you said you'd put me on
Babygirl you're so wrong
How could you switch it
From one man to the next
After you said you'd put me on

Babygirl you're so wrong
For leading me on

Verse 2: (Baby-V)

Left me standing in the rain
To you this is a game
We don't feel the same
It's clear to me
Girl you kicked me out the frame
And put him in your pretty picture
And didn't even give me a chance to miss ya
Why'd you do this thing to me

Rise

Chorus

Bridge: (Kyle)

You should have known
That I would not be cool with this
Why is it me you're tryna diss
And string along
Never gave no indication
But it seems you lost ya patience
Switch us like you ain't got class
You gotta let me know

Chorus
