Give up
Fuck the government
Kill the home owners

Get disconnected
Disconnected
Disconnected
Disconnected

All the prime time TV shows
Say the middle class are homos

Get disconnected
Disconnected
Disconnected
Disconnected

See the Kool-Aid in the compound
Stir it up and pass it around

Get disconnected
Disconnected
Disconnected
Disconnected

Fuck religion, eat scum
Beat a corpse, fuck a nun

Get disconnected
Disconnected
Disconnected
Disconnected
