I love livin' in the city
I love livin' in the city

My house smells just like the zoo
It's chock, full of shit and puke
Cockroaches on the walls
Crabs crawlin' on my balls

Oh, well, I'm so clean cut
I just wanna fuck some slut but

I love livin' in the city
I love livin' in the city
Yes, I know

Spent my whole life in the city
Where junk is king and the air smells shitty
People pukin' everywhere
Bars of blood, scabs and hell

Bodies wasted in the field
People dyin' on the street
But the suburban scumbags, they don't care
Just get fat, dye their hair but

I love livin' in the city
I love livin' in the city

I love livin' in the city
I love livin' in the city [Incomprehensible]
I love livin' in the city
I love livin' in the city
