There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

Let's have a war
So you can go and die
Let's have a war
We could all use the money

Let's have a war
We need the space
Let's have a war
Clean out this place

It already started in the city
Suburbia will be just as easy

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

Let's have a war

Jack up the Dow Jones
Let's have a war
It can start in New Jersey

Let's have a war
Blame it on the middle-class
Let's have a war
We're like rats in a cage

It already started in the city
Suburbia will be just as easy

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

There's so many of us
There's so many of us
There's so many

Let's have a war
Sell the rights to the networks
Let's have a war
Let our wallets get fat like last time

Let's have a war
Give guns to the queers
Let's have a war
The enemy's within

It already started in the city
Suburbia will be just as easy

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

There's so many of us

There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many

There's so many of us
There's so many of us
There's so many
There's so many of us
There's so many of us
There's so many
