there's a sinister feeling brewing bout a women and
her non-stop yap in a couple weeks she'll be stewing
bait the hook of a tender trap spend your money on
countless reasons brick-a-brack that cannot be used
snivel on the ground that she walks on give an inch and
that women wants two the trouble today with women
the mouth don't stop there's an older one yakity-yack
husband's credit cards let her shop there's a younger
one gums keep flappin' will the jawbone never stop
there's an older one she need screwin' never in your
life no not me will the women's mouth never cease the
trouble today with women the mouth don't stop
