OH MY GOD

What have we learned?

OH MY GOD

We're doomed from the start

It's time to admit we're wrong and move on

Kick our habits, self improvement

Is anyone getting nervous?

We should all be afraid to die

I don't care as long as we, as long as we get there

Get there

Fought, you fought and you got what you want out of
me

Caught, don't get caught, you'll be fucked if you know
what I mean

Are you scared you can't tell me what your life's about?

Thought provoking, it's all we need.

It's all we need.

THE FEAR OF GOD IN US

IN ALL OF US
