Terrors of the night,
Waiting to hear a scream (oh yeah!).
[Awkward] desire to taste her
Take her outside!

Terrors of the night,
Waiting to hear her scream (oh yeah!).
[Awkward] desire to taste her
Take her outside!

Now I kneel in shame. x4

You can't make me go outside,
(Make her make me...)
The trees are vicious,
(Make her make me...)
The winds speak lies.

Summer's arms say "Rain tonight"
(Make her make me...)
On horseback through it
(Make her make me...)
I coughed to stay alive.

I first fought the knife
That brought life to
Skin was stretched
Rules were made
Pulling the scalpel.
(I sewed diamonds into her eyes!)
I first fought the knife!
I first fought the knife!

I first fought the knife
That brought life to
Skin was stretched
Rules were made
Pulling the scalpel.

Take her outside!
Take her outside!
