The party hasn't started till there's spike in the punch.
Ladies and gentlemen, boys and girls.
The party hasn't started till there's spike in the punch.
Ladies and gentlemen, boys and girls.

More ups and downs than a trampoline.
Lets do coke like we're vacuums
and dance our troubles away
before we drive our cars off bridges.

Ladies and gentlemen, boys and girls.
Ladies and gentlemen, boys and girls.

Lets
pry
her
ribs open,

and
bathe
in
her chest.

I'm the life of the party until I sober up.
Oh, yeah. Oh, yeah.
I'm the life of the party until I sober up.
Ladies and gentlemen, boys and girls.

And when they find her on the shore they'll say,
And when they find her on the shore they'll say,
And when they find her on the shore they'll say,
And when they find her ON THE SHORE.

Some things, some things, some things are better left
unsaid.

Some things, some things, some things are better left
