Where have you gone
Little sister
How we laughed you and me
I've been waiting for you
I realize it's in vain
You' ve run away with that black haired boy
You don't care where

Why are you gone
Little sister
How we laughed you and me
I miss your lightness
L' ve thrown away my energy
What did i do wrong?
Sometimes i stand behind your house
Watchin' your window

I don't ask much
Just to keep in touch
To waste our precious time
I don' t ask much
Just to keep in touch
To waste our precious time
Together

I know i have to face up to the facts
We' ve got to stay alone
Over and over again
We are always waiting for someone
Who doesn't come anyway
And you don' t know
What you mean to me

I don't ask much
Just to keep in touch
To waste our precious time
I don't ask much
Just to keep in touch
To waste our precious time
Together

That s why i sing a song
Even you can' t hear me
You' ve run away with that black haired boy
It' s such a sad old feeling
You' ve run away with that black haired boy
You don't care where
