Language is a fussy case
Some time we quit
Words got a fixed meaning
For some people
We are right in their midst
Between people one is used to
Reactions to certain signs
That is similar to animals
Except a response inside
But what I mean means
Hearing as a complex faculty
Hey darling what's the matter
I try to see
We are like politics
In our duels we are talking
But all of a sudden
Drawing revolvers in our walking
He who listens first to the words
'Stead of taking care
Of the hands and the ryr
Will get worse

Will get worse

Will get worse

Will get worse

Look at my hands!

I see your face

But I don't know now what you're said

Look at my hands!

I see your face

But I don't know now what you've said

All the colours are so much stronger

Sorry I don't understand

All the colours are so much stronger

Sorry I don't understand

But what I mean means

Hearing as a complex faculty

Hey darling what's the matter

I try to see

But what I mean means hearing

Hey darling what's the matter

I try to see and see

And see and see
