I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way

Filled with pain
Bruised and darkened soul
Spare me from the
Life that's full of misery

I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way

I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way

That way
What?
That way, that way

Filled with pain
Bruised and darkened soul
Spare me from the
Life that's full of misery

I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way

I don't want to live that way
I don't want to live that way
I don't want to live that way
