Consequences that had left me for dead
Repercussions that went straight to your head
Trusting in no one, believing in nothing
Living in a world of pure deception

So far this life is contemptuous
This mind, a gun, so relentless

Damn!
I am damaged for life
Damn!
Like I've been crucified
Damn!
I am damaged for life
And I can't believe I'm alive

Determined to destroy all that you know
Conceal your lies in the web you compose
Trusting in no one, believing in nothing
Living in a world of pure deception

So far this life is contemptuous
This mind, a gun, so relentless

Damn!
I am damaged for life
Damn!
Like I've been crucified
Damn!
I am damaged for life
Damn!
And I can't believe I'm alive
Alive

So far this life is contemptuous
This mind, a gun, so relentless

Damn!
I am damaged for life
Damn!
Like I've been crucified
Damn!

I am damaged for life
Damn!

And I can't believe I'm alive
And I can't believe I'm alive
And I can't believe I'm alive
