Discrimination
Your intention to scar me
Discrimination
Your a suspect penalty
I suffer!

Spiteful resolution
By your sentence we must fall
Spiteful resolution
Bitter thoughts destroy us all
We suffer!
Suffer!

Your final judgement stands
Made by your will
I never had a chance
I never will!

By your default judgement
Everyone has suffered

Your pointless judgement
Caused everyone to...suffer!
Suffer!

Your final judgement stands
Made by your will
I never had a chance
I never will!

Day in which god
Judged humankind [x6]
Mankind
Mankind

Your final judgement stands
Made by your will
I never had a chance
I never will!

Never [x8]
