You waste away a spinning cage  
Mass binded by the sun  
You spend your day stuck in a race  
And life has just begun

A paradise is in eclipse  
And lives are lost and for distress  
The wage of sin is money spent  
Your life, a debt full of regret

We are lost in the maze  
Falling away

And now your life amounts to nothing  
A fortune has a price  
'Cause in the end all humans die  
A debt your in the hide

A paradise is in eclipse  
And lives are lost and for distress  
The wage of sin is memory spent  
Your life, a debt full of regret

We are lost in the maze  
Falling away  
Falling away again  
Falling away again  
Falling away again  
Falling away again

Get up  
Get up  
Get up  
Get up

Lost in the maze  
Falling away  
Falling away again  
Falling away again  
Falling away again  
Falling away again

Fall  
(Falling away again)  
Fall  
(Falling away again)  
Fall  
(Falling away again)  
Fall  
(Falling away again)
