Escape confusion  
Escape animosity  
Escape confusion  
Escape animosity

From morality  
A morbid animosity  
Addicted to the epidemic  
That deteriorates progression

Escape confusion  
Escape animosity

Desperately washing away  
The gore that's hidden  
Beneath the dismay  
Thoughts of eternal despair  
And self hate

Escape confusion  
Escape animosity

Terrorism within  
Dreams become reality  
Visions of hope  
Attempt to escape  
Attempt to escape  
Attempt to escape the sickness

Terror  
Dreams become reality  
Visions of hope  
Attempt to escape  
Attempt to escape the sickness

From morality  
A morbid animosity  
Addicted to the epidemic  
That deteriorates progression

Escape confusion  
Escape animosity
