I lied
Right to your face
And I'll burn
Eternally in flames
In flames
In flames
In flames

Instinct
Has failed me now
Enslaved
By my deceit

Lies sink in like gasoline
Saturates my body
One last spark of dishonesty
And that will be the death of me

Damned
In flames
Damned
In flames
Damned
In flames
Damned
In flames

Lies engulf me
Lies they burn me
Flames they purge me
Flames they free me

Lies sink in like gasoline
Saturates my body
One last spark of dishonesty
And that will be the death of me

Damned
In flames
Damned
In flames
Damned

In flames
Damned
In flames
