These weapons of mass destruction
Around our world threat to us all

Operated by fears
(Fears)
Cold over years
(Years)
Systematic death
(Death)
Terminal breath

Leaders of our time just stand behind
An arsenal to end us all

Fighting a war
(War)
We can't ignore
(Ignore)
Destined to fall
(Fall)
Cowards to all
Cowards to all
Cowards to all
Cowards to all
Cowards to all
Coward
Coward
Coward
Coward

We are losing weapons controlling
This is the hour of your reckoning

More arsenal threatens all
Heading for a downfall
Mass destruction

Mass destruction for all
