I You said you needed me
I was looking at myself
I was blind, I could not see
A boy tries hard to be a man
His mother takes him by his hand
If he stops to think he starts to cry
Oh why

If you walkaway, walkaway I walkaway, walkaway I will follow

If you walkaway, walkaway I walkaway, walkaway I will follow

I was on the inside When they pulled the four walls down I was looking through the window I was lost, I am found

Walkaway, walkaway I walkaway, walkaway I will follow If you walkaway, walkaway, I walkaway, walkaway I will follow I will follow

Your eyes make a circle I see you when I go in there Your eyes...your eyes...your eyes

If you walkaway, walkaway I walkaway, walkaway I will follow

If you walkaway, walkaway I walkaway, walkaway I will follow I will follow

I will follow I will follow
