Dark bodies floating in darkness  
No sign of light ever given  
Imprisoned in a world without a memory  
Unconscious or am I conscious?  
Cut from the heart I am part of  
Sometimes I feel as though I'm frozen in Heaven

And I saw my own face in the dark and loneliness  
And I saw my own face like a spark frozen in Heaven

In dreams I see myself flying  
Closer to the sun and I'm climbing  
Tried to touch the sun  
But the brightness burned my eyes  
Unconscious or am I conscious?  
Fell from the sky like a star  
Sometimes I feel as though I'm frozen in Heaven

And I saw my own face in the dark and loneliness  
And I saw my own face like a spark

Unconscious or am I conscious?  
Fell from the sky like a star  
Sometimes I feel as though I'm frozen in Heaven

And I saw my own face in the dark and loneliness  
And I saw my own face like a spark frozen in Heaven

Dark bodies floating in darkness!  
Dark bodies floating in darkness!  
Dark bodies floating in darkness!  
Dark bodies floating in darkness!  
Dark bodies floating in darkness!  
Dark bodies floating in darkness!  
Dark bodies floating in darkness!
