Violence in my head
Like a thorn that pierced my skin
Spilling strength on the floor where I stand

It surrounds me, controls me
Shows weakness inside me
Surrounds me, controls me
Shows weakness inside me

They've tried to kill me
But they won't succeed

No one
No one
No one can deny

Sadness in my heart
Like a storm that ripped apart
All the fragments of what was happiness

It takes over, and numbs me
Shows the fear inside me
Takes over, and numbs me
Shows the fear inside me

They've tried to kill me
But they won't succeed

No one
No one
No one can deny

No one
No one
No one can deny

(Take one)
Take one, take one more shot
One more shot at me
Take one, take one more shot
One more shot at me
And believe

And believe

Take one, take one more shot
One more shot at me
Take one, take one more shot
One more shot at me
And believe
And believe

Takes over and numbs me
Shows the fear inside me
Inside
Inside
Inside my head

No one
No one
No one can deny

No one
No one
No one can deny

No one
No one
No one
