The smallest part  
a single spark  
can lay this world in ashes

The fire inside  
burns my mind  
set to destroy the masses

Burn  
this  
world  
down

Consuming tide  
floods my mind  
filling my soul with rage

Just one spark  
in my heart  
to damn this world in flames

My burning fate  
seething with hate  
to set this world on fire

All will burn  
nothing spared  
from my incineration  
Decimate  
to devastate  
path of annihilation

My burning fate  
seething with hate  
to set this world on fire

Set this world on fire  
Wake of the Oxidizer
