Huhh!
There is no love
I am a duplication
Innocently
I was conceived
So violently
There was no love
There was no love for me
There was only hatred
I am rape
I am hate
I am rape
I am hate
Every day I feel anonymous hate
Forever in the shadow of disgrace
I am rape
I am hate
I am rape
I am hate
Filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of misery
I don't want to live that way
I don't want to live that way
There is no love
Every day I feel anonymous hate
Forever in the shadow of disgrace
I am rape
I am hate
I am rape
I am hate
Filled with pain
A bruised and darkened soul

Spare me from the
Life that's full of misery
I am so
Filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of misery

I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I am so
Filled with pain
A bruised and darkened soul
Spare me from the
Life that's full of misery
Spare me from the
Life that's full of pain
Spare me from the
Life that's full of pain
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
I don't want to live that way
