The machine is now alive
To wreck havoc in your lives
There's no use to hold me back
I am ready to attack

I am a criminal
I am a criminal
I am a criminal
I am a criminal

The machine is now alive
To wreck havoc in your lives
There's no use to hold me back
I am ready to attack

The machine is now alive
To wreck havoc in your lives
There's no use to hold me back
I am ready to attack

The machine is now alive
(I am a criminal)
To wreck havoc in your lives
There's no use to hold me back
(I am a criminal)
I am ready to attack

The machine is now alive
(I am a criminal)
To wreck havoc in your lives
There's no use to hold me back
(I am a criminal)
I am ready to attack

I am a criminal
I am a criminal
I am a criminal
I am a criminal

The machine is now alive
To wreck havoc in your lives
There's no use to hold me back

I am ready to attack

The machine is now alive
To wreck havoc in your lives
There's no use to hold me back
I am ready to attack
