Become
Become

We've cut in, cut out
The face of man
Cut in, cut out
The face of

Time has given us no reason to live
Look to the future and you will see nothing

What will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternity

We've lost hope, lost fate
We've lost our way
Lost time, lost grace
We search for

Man has taken time from all that you see
Look in his eyes, see the future hold nothing

What will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternity, eternity

What will become? What will we be?
When we can see our own eternity

Man has taken time from all that you see
Look in his eye and you still will not see

No, you will not see, no, you will not see
No, you will not see, no, you will not

What will become? What will we be?
When we can see our own eternity
What will become? What will we be?
When we can see our own eternity

What will become? What will become?
What will become? What will become of us?
