My hope, my dreams, my love - They fade  
Vanishing tastes of what I had and all that seems to  
stay with me are memories - A gone reality  
And everything I feel is the blankness within me

[Chorus:]

I feel the emptiness in me, to never feel this pain.  
The dull expression of faceless guises, I feel the pain  
in me arises  
Can't talk about the things I've been through  
I cannot tell where I have to go

[Chorus]

All I feel is blankness in me

[Chorus]
