I can see clearly  
That he loves you dearly  
Just by the way, he looks at you  
But I've got news for you girl  
I love you too

If heaven could send down, a guardian angel  
To make him someone  
You never knew  
Then I would pray true, girl  
Cause I love you too

If he ever, ever brakes your heart  
Or even once, treats you unkind  
One false move  
And I'll steel you away  
And your love, will be mine

But now every night  
When I go to sleep  
Can't tell you the hell, I'm going trough  
I know he's making love to you girl  
And I love you too

If he ever, ever brakes your heart  
Or even once, treats you unkind  
One false move  
And I'll steel you away  
And your love, will be mine

Now every night  
When I go to sleep  
Can't tell you the hell, I'm going trough  
Cause I know he's making love to you girl  
And I love you too

Well I've got news for you girl  
I love you too
