Tell me again I get to go to Heaven  
Say it again so I really understand  
Speak one more time my sin is forgiven and You want  
me as I am

Oh Lord, You're love makes me crazy;  
I cannot hold it in  
You have come and saved me

I will shout, "I have been forgiven!"  
I will come rejoicing now with all my heart  
(with all my heart)  
And I dont care who sees me dancing or lifting up my  
hands  
You've been to good  
For me just to stand, for me just to stand there

(repeat all above)

Who would say this?  
I'm not afraid to be undignified, oh yea....ahhh  
Want to shout out my thanks,  
let the whole world give Him my praise

repeat chorus
