Another evening on death star one  
I have to face the rebel scum  
Instead of having a drink or two  
I'm send out with my crew

I'm going to bust their ass  
I'm going to bust their ass

I'll be tie fighting tonight  
I'll be tie fighting tonight

Off I am to fetch my gear  
Although I'd rather stay right here  
Enjoy my time with drugs and sex  
Not following these rebel tracks  
But now I'm off to get the scum  
Time to show them where I'm from  
They destroyed my whole damn night  
I have to leave now for a fight

I'll be tie fighting tonight  
I'll be tie fighting tonight

Showing you the power of the dark side  
There's no place where you could hide  
Showing you the power of the dark side

Are you ready?

Showing you the power of the dark side  
There's no place where you could hide  
Showing you the power of the dark side  
There's no place where you could hide

This was now the last time you fooled me  
I'll tear your revolution apart

This was now the last time you fooled me  
I'll tear your revolution apart

Baby clean my fighter tonight

Wash my helmet make it shine  
Baby clean my fighter tonight  
Wash my helmet make it shine
