

Fear Of God "So Good"

Visit "[So Good](#)" on MotoLyrics.com

Tell me again I get to go to Heaven
Say it again so I really understand
Speak one more time my sin is forgiven and You want
me as I am

Oh Lord, You're love makes me crazy;
I cannot hold it in
You have come and saved me

I will shout, "I have been forgiven!"
I will come rejoicing now with all my heart
(with all my heart)
And I dont care who sees me dancing or lifting up my
hands
You've been to good
For me just to stand, for me just to stand there

(repeat all above)

Who would say this?
I'm not afraid to be undignified, oh yea....ahhh
Want to shout out my thanks,
let the whole world give Him my praise

repeat chorus
