

Feast Eternal "Immersion"

Visit "[Immersion](#)" on MotoLyrics.com

My heart sails through - a river flowing red
Result of his compassion - an offering was given
A cruciform tree floats by - remnant of the price
Scoring a tear in my soul - my being permeatesÂ....
darkness

Trenches of my sorrow - congested righteous delight
Elation replace defeat Â- bring forth praise
Lord god within me - hold me together inside
Keep my path steadfast - to escape drifting away

Choosing total immersion

Into the delivering flood
Currents annihilate the sin
Resurrecting what is dead

Embracing me from within Â- choke out my sin
Your power holds me steady - when calamity strikes
again
Father of my heart - save me from the void
Lord fill my sails - your spirit be my guide

Choosing total immersion
Into the delivering flood
Currents annihilate the sin
Resurrecting what is dead
