(Feat. Mr. V)

lets go back! come on ! and forth  
come on back, move your neck  
funky phat beats what'd you expect,  
from two guys called,  
Fedde, mr V, so if your ready  
we gon' see yo' body yo' hands (put them up)  
I said yo' hands (put them up)  
If you got that shit, light it up  
and while youre up, everybody go back  
to a place where youve been before,  
old school to the new, its time to go forth  
to a whole new level  
Fedde, more bass and a little more treble  
back  
cause mothafuckas dont understand,  
mr v got the mic in his hands, so go  
forth  
cause we on course, better yet on track  
like a jockey to a horse,  
move back, like a girls ass  
in a pair of tight jeans dancin' to this track  
forth  
stay on course, this is only the beginning  
cause we got more  
back  
to the days of simple ass beats and tracks for days  
c'mon

put your hands up for new york  
I love my city, i like girls with titties  
but, they gotta look pretty  
ha, you know i act silly, but nah, look, really  
we wanna see you bouncin man  
matter fact lemme see ya'll clap your hands  
c'mon shake ya hips, make it twist  
raise your hands, pump your fists  
where's my drink? to the bar, need a shot of patron  
got me buggin on the microphone  
talkin' all this shit with Fedde Le Grand

but it's time for me to go and for ya'll to dance  
so go back, and forth  
c'mon
