Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
And what's inside you then will show

Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
Exactly...

I want control of my life  
I never give up  
It's taking most of my time  
I'm not giving up

Gotta keep movin and groovin  
That I can meet the love of my life  
And beliving that... when you look inside

Beliving in the beauty within

Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
And what's inside you then will show

Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
And what's inside you then will show

I got a long way to go  
I'm not gonna stop  
Taking what's... time  
I'm not gonna stop

Cause I'm tired of trying to be all that I know I can be  
Tell my friends I'm revealing my heart  
For everyone to see

Beliving in the beauty within

Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
And what's inside you then will show

Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
And what's inside you then will show

Exactly exactly  
How old  
Integrity will let you go  
Peaceful - Pityful  
Higher Higher Higher Higher

Beliving in the beauty within

Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
And what's inside you then will show

Mirror mirror on the wall  
You're the one to know it all  
Beauty come and beauty go  
And what's inside you then will show

Exactly exactly  
How old  
Integrity will let you go  
Peaceful - Pityful  
Higher Higher Higher Higher
