Come on down to the creeps
Come on down to the creeps

Make me take the ride
Free drinks on tonight
Take some have a feast
Break me 'cause it keeps coming...

Down on either side
Bleeding in my mind
Waiting for the creeps
To kill my last believes

So come on down to the creeps
Come on down to the creeps
Come on down to the creeps

Walking to the claim
The creeps calling my name
They get me every-time
I'm bleeding and I'm getting

We go split before my eyes
Increase, double size
Lease out my brain
Am I insane

To go

Come on down to the creeps
Come on down to the creeps
Come on down to the creeps

Come on down to the creeps
Come on down to the creeps
Come on down to the creeps

Come on down to the creeps
Come on down to the creeps
Come on down to the creeps
Come on down to the creeps

Come on
